

The Grand Traverse Bay YMCA would love to welcome your family to our family!

You already know about the great programs the YMCA offers. But did you also know about all of the great (and affordable!) benefits our Y members enjoy?

For just \$45 per month, an entire family receives **free** or reduced rates on 65+ programs, **free** morning tennis, **free** fitness classes, **free** personal training sessions, **free** Family Fun Nights, **free** drop-in child care, **free** access to three fitness areas—including cardio, aerobics and circuit training rooms—and much more!

Plus, your YMCA membership automatically qualifies you as a member of the national YMCA “AWAY” program. You’ll be welcome at any Y in the U.S.!

And all of our programs and activities are held in a family-friendly, values-based atmosphere that builds the spirit, mind and body.

**JOIN BEFORE DECEMBER 31, 2009,
AND WE’LL WAIVE THE \$50 JOINER FEE!**
